Therapies....

Fredrick's spa offers a range of therapies and product lines which have been carefully selected for their product integrity, therapeutic principles and results orientation. We have taken care to select the best therapists and use the most effective skin care brands. Our therapies have been designed for maximum benefit delivered within a culture of expertise and wellbeing.

Thalgo

Experts in Marine Spa Therapies for over 40 years, and renowned for amazing results, Thalgo draws on the riches of the ocean for their extensive range of facials, spa rituals, body wraps, luxurious spa baths and men's treatments. Whether your need is detox, slimming, firming, anti-ageing or just pure relaxation, Thalgo has the perfect treatment just for you.

Aromatherapy Associates

Has been at the forefront of aromatherapy for over 30 years. From the beginning they have believed passionately in the healing powers of natural plant extracts and their experiences as therapists has shown that essential oils are highly effective in enhancing the state of our physical, mental and emotional well-being. Maintaining the highest standards of quality to bring you an experience that's as effective as it is luxurious.

"On an emotional level, the aromas of essential oils can have a dynamic effect. The sense of smell is the most primitive of our senses, and is linked to the deepest parts of the brain which govern basic instincts, memories and emotions."
