

Funeral Receptions

Coming to terms with the loss of a loved one is something we all experience at some stage in our lives. As well as coping with the grief there is the additional burden of arranging refreshments for family and friends at short notice.

The Fredrick's Hotel & Spa has many years of experience in sympathetically providing catering and facilities for funeral receptions and wakes at this difficult time.

From a simple buffet to a full wake or just somewhere to reflect with family and friends we will endeavour to provide a fitting occasion.

The Fredrick's Hotel has extensive menu and drink options to offer. Here we have included our most popular choices. We can also tailor a package for your specific requirements.
