

# FREDRICK'S

HOTEL RESTAURANT SPA

## Alan & Maria 30<sup>th</sup> May 2015

From the minute we booked Fredrick's for our Wedding Venue we received 1st class service. Alix the Wedding organiser was fantastic, friendly & helpful. On the actual day all the staff at Fredrick's worked so hard to make our day very special. The staff were a delight and all our friends and family commented on how accommodating and friNendly they all were, nothing was too much trouble. The hotel is beautiful and has a very warm welcome, the rooms are spacious and clean. We had a meal the night before In the restaurant and the food was first class. We would highly recommend this hotel
