We just wanted to say a massive thank you to Holly, the Wedding Coordinator, for all her help in organising our wedding. We had an absolutely fantastic day & we both wish it never had to end!

We are so glad we got our wedding outside (despite it looking like a downpour was imminent at one point!), and the function room looked stunning...

Holly really does know her job and we are very grateful for everything Holly and her team have done to make it a special day.

Thank you!
