We just wanted to say a massive thank you to Holly, the Wedding Coordinator, for all the hard work she put in on our Wedding Day. We had a wonderful time, and so did all our guests.

During the day we saw very little of her except for the occasional glimpse out of the corner of an eye. But what we saw were the results of all of her very professional work behind the scenes to make everything run so perfectly.

That professional and well organised manner came out so well in many ways including the way she planned to cope with the weather eventualities, and informed us how it could be managed.

The way that she paid attention to small details to get them right made such a difference to and most of our guests were moved with how special they felt. Something we ourselves felt too.

Thank you so much Holly and the rest of the staff at Fredrick's Hotel!
