

FREDRICK'S

HOTEL RESTAURANT SPA

Karen & Isaac 3rd October 2015

We initially found the Fredricks Hotel by searching for a spa hotel that would suit our needs for a wedding celebration to last a long weekend. The venue was perfect in the flesh. On our initial meeting I found Alix very amiable. She was easy to talk to and this made our decision to go ahead with booking the Fredricks- registrar permitting- an easy one. We worked together to plan a fantastic wedding. Alix and her colleagues were always on hand during the planning for the wedding to answer our many questions without making us feel like nuisances. We planned for an October wedding with back up options depending on weather and numbers of guests. We met with a chef and events staff to make sure that they were fully aware of our requirements and we were happy with their plans. All aspects of our day were delivered well as a result.

With the weather being fantastic on the day we were able to get married outside.....the best feeling.....walking out to a beautifully arranged area where we were able to say I do in front of our friends and family. Alix and the Fredricks team did an amazing job and I don't think there was much more she could have done for us.

The Fredricks hotel is a perfect venue for a wedding. It can accommodate all sizes of wedding. The outdoor space adds to the experience too. The staff look after the venue very well and it is clean and tidy inside and out.

Alix is a very professional yet friendly person. She works extremely hard to deliver a great event. Alix is very knowledgeable and works well with the team at the Fredricks. The events team and the food and beverage team made a lot of effort to deliver a fantastic day. They listen to your requests, give advice where necessary and our wedding was excellent as a result.
