

FREDRICK'S

HOTEL RESTAURANT SPA

Lauren & Jason 6th February 2016

Our wedding day was perfect and everything we wanted it to be! Leading up to the wedding, Alix done a very good job with helping us coordinate. She answered our questions promptly and was also very helpful the morning of the wedding when a bridesmaids dress had a completely broken zip from under the arm to the waist.

Alix helped save the day with lots of safety pins! The Chef done an amazing wedding breakfast and everyone commented on how nice the food was. And, the bar staff, waiters and waitresses were also fantastic and very professional all day. I would highly recommend this

venue to any other couples planning to get married. I don't think we could have picked a better place. Definitely stay in the Berkshire Suite (honeymoon suite)

AMAZING! Lauren & Jason Xx
