

HOTEL RESTAURANT SPA

Michelle & Andy
25th March 2017

Fredrick's hotel is a fantastic wedding venue,
and we are so glad that we chose it.

The service we received from Holly, the
Wedding Coordinator, was second to none and
we would have been lost without her. She
always replied promptly to our frequent email
exchanges, and I was made to feel like nothing
was too much to ask for.

Everything went smoothly on the day, and this is
completely down to the attention put into it by
Holly and the rest of the team at Fredrick's...

...We can't thank the staff enough for everything
they did to make our wedding day special, and
we wouldn't hesitate to recommend the hotel.
