

HOTEL RESTAURANT SPA

Debbie & John
15th October 2016

I can't thank Holly enough for all of her help and support with our wedding preparations, and helping our day run so smoothly.

Everything was just fabulous and I would highly recommend Fredrick's to anyone who is looking for a wedding venue.

We had a wonderful day and wouldn't change a thing, and I have had great feedback from all our guests saying what a wonderful time they had and how amazing the food and service was.

Thank you all again!
