

FREDRICK'S

HOTEL RESTAURANT SPA

Feriel & Mel 30th April 2015

Getting married at Fredrick's Hotel & Spa was the best decision we have ever made! The venue was really nice, food was excellent and most of all our wedding planner Alix was amazing! Alix is not only a friendly and professional person but she also is always happy to help. Her enthusiasm and support was greatly appreciated. She is fantastic and a fabulous event/wedding planner who will make anyone's day very special...Francesco and his staff were also brilliant. Thanks so much once again to the whole staff, we will never forget this special day...this was the best day of our lives. Thank you Alix, Emma, Francesco, Bob and Nelena! You were all brilliant! Thanks a million x
