

# FREDRICK'S

HOTEL RESTAURANT SPA

## Gemma & Darren 25<sup>th</sup> July 2015

When looking for a venue I found it quite daunting!  
Everywhere I went I just felt like they wanted the booking it put me off so I stopped looking for a while. Then I made an appointment to see Fredrick's and from the minute I walked in I had a good feeling then I met Alex the wedding coordinator and it was confirmed that my feeling was right and this was the place for us!  
Nothing was too much trouble we had an amazing wedding coordinator looking after us, Alex was always on the other end of the phone called me back if she was busy never left me waiting and tried her utmost best to help me and send me information she thought might be useful! I will always recommend Alex along with Fredrick's hotel and I will always be going back to visit whenever we can.
