We got married in church on sat 6th sep 2014. We had our wedding reception at Fredricks and I must say, what a fantastic beautiful venue. The function room setup was outstanding and beautiful. the staff were all pleasant and couldn't help enough. They were always checking that everything was going ok and if we required any further assistance then they had it sorted within minutes. Alex the wedding co ordinator was fantastic, she accommodated our every need. She was supportive and made our day perfect in every way possible. If you want a perfect venue for your wedding then please visit Fredricks and see what they have to offer, you won't be disappointed at all.
