

FREDRICK'S

HOTEL RESTAURANT SPA

Kayleigh & Dion 2nd June 2012

We got married in a little church in Twyford and had our wedding reception at Fredricks and it was perfect. We were very surprised with the value as it was a lot cheaper than other places we had seen and you could tailor so much of it to your own taste. The venue is lovely and has beautiful gardens, plenty of parking and a really nice bridal suite. Our dedicated wedding co-ordinator couldn't have done enough for us and was always available to meet at short notice. All the staff were phenomenal and nothing was ever too much. We were made to feel really special and had the perfect wedding day.
