

FREDRICK'S

HOTEL RESTAURANT SPA

Maria and Joe
9th August 2014

My husband and I had the most amazing day at Fredricks hotel and spa. Not only we enjoyed it but all of our guests enjoyed the day too. The whole experience from start to finish! Alix our wedding coordinator, the staff , the ambiance of the whole experience was truly amazing, we would most definitely recommend anyone getting married to have their wedding at Fredrick's!! Great great venue, great great food. Great great staff, could not wish for more!!!!
