Olivia & Martin  
3<sup>rd</sup> January 2015

I just wanted to say a huge thank you to Alix and all the staff at Fredricks! My husband and I got married there on January 3rd 2015 and could not fault a single thing on that day. Everything went incredibly smoothly, the food for the wedding breakfast was absolutely incredible and the service in general was brilliant! The wedding package itself is such amazing value for money and we cannot praise and recommend Fredricks and Alix enough for giving us such a perfect day! Thank you!! -
