

FREDRICK'S

HOTEL RESTAURANT SPA

Sam & Ben
31st December 2014

We held our wedding here on the 31st December 2014. The event was coordinated by Alix who could not have been more helpful and our day was perfect. The hotel staff were very helpful and the restaurant manager most attentive. The food was beautiful and exceeded our expectations. Accommodation was good and the bridal suit a great size for the bridal party to get ready in. We could not fault the hotel and would highly recommend.
