

FREDRICK'S

HOTEL RESTAURANT SPA

Stacey & Steve 7th November 2015

From the second that Alix replied to my initial wedding enquiry, I knew I was in great hands... Alix was outstanding - patience, fast response, and completely understood what I wanted from my day. The planning stage could not have been easier. The day itself was incredible - Alix was there on the day, which was very comforting, and everything went perfectly. Fredrick's is an outstanding venue, with outstanding service and outstanding food. I wouldn't change a thing about my wedding day.
