Our wedding day at Fredrick's was an amazing day that we will never forget. From the moment we arrived on the Friday the staff were so helpful and very professional! This continued throughout the day and evening on the Saturday, I can find no fault in any aspect of our special day! From the moment my mum and I met Holly (Fredrick's new Wedding Coordinator), we were so confident in her ability (keep up the good work!), and I would like to thank her for coping with me stressing out in the build-up the wedding.

I would also like to give a couple of mentions to other of members of staff as well. Firstly Didier (the Operational Manager) - what a legend. He most certainly went above and beyond the call of duty from the minute he arrived on Saturday until the moment he left us - there was no task too big for him! He most certainly is an asset to the hotel.

Secondly we would really both like to thank Charlie and his kitchen team for the most amazing food! They catered for all the allergies (and fussy eaters) so well. Everyone has told us how much they loved every one of the courses, many of the adults were also very jealous of the kids meals!

Lastly, I would like to mention Ben (one of the staff who seemed to be around a lot doing various background jobs on both Saturday and Sunday). He was on hand to provide water when we were setting up on Friday and then he helped us find all our bits and bobs on Sunday morning, this was particularly helpful as we all felt a little fragile!

Once again we cannot say thank you enough for everything! -
Thank you, Thank you, Thank you!
